Mark your calendar

**Annual Meeting is scheduled for Saturday, May
30**

@ 9:00am at the beach (Rain date May 31st) (don't forget your chair)

2026 Community Potluck Bonfire

Ed and Louanne Stephenson will once again be hosting this year's potluck gathering for our Sunray Shores

community. Come and catch up with neighbors you know, and welcome the ones you haven't yet met.

Saturday June 27th (rain date 6/28)

6pm

26 Nancy Dr

Bring a chair and a dish to share

BYOB

Hope to see you there!

We old like to extend a warm welcome to our newest members of Sunray Shores, Debra Mullen, Anthony and Rachel Carideo, and Nathan

and Heather Goodwin. We look forward to getting to know you all!

Projects:

Ed has a few large projects to bring up for votes at the annual meeting, the largest being the work needing to be done around the boat launch.

Denis Duval is presently seeking out pricing for new aluminum docks to replace the wooden ones. He will provide estimated costs at the meeting in June.

If you have any suggestions or ideas, we'd love to hear about them. Please bring them forward at the meeting. We welcome your thoughts and ideas on how we can improve our community.

Annual membership dues (\$200) will be accepted at the meeting. They must be paid on or before July 1st.

Please remember that you must be a member in good standing in order to take advantage of our association amenities.

Note that the association dues are completely separate from the water district bill, and should be made out to SSIA.

Water District News

As I'm sure many of you have seen, our new pump house has been built and is just about ready to go. Soon they will begin roadwork. Please be aware that the beach parking lot may have to be utilized for this project, and may not be available during the week. It would be a liability to the association to have people (especially children) walking through the lot as heavy equipment is being utilized there. The contractors will most likely make use of the triangle on Nancy Dr. but may use the parking lot if necessary. Please respect those boundaries and use common courtesy as they try to complete this much needed project. They are as anxious to complete it as we all are.

Our board of commissioners has a new addition. Denis Duval has stepped aside as 1 year commissioner but will remain involved as an alternate. Blair Coburn has stepped into that position. He is committed to seeing this project through and has been immersing himself in getting to know the ins and outs of all the changes that are happening between the outdated system and our new system. He is a valued and

appreciated addition to this hard working team. Many of you are unaware of the knowledge and experience that the volunteer members of our board possess and have brought forward to this project.

A huge Thank You to Denis for all the time and commitment he has put into that position. Another huge Thank You to Blair for stepping up and giving his time and knowledge to the board as we see this to completion.

For Water District **Emergencies**, please contact one of your commissioners. Water district bills are completely separate from the association dues.

Norm Duval- (603)785-0036

Mark Gerossie- (781)915-7547

Blair Coburn- (603)318-6046

**Cheers to another great summer in our
Sunray Shores community! Health and
happiness to you all!**
